Troop 215 Committee Chair;

This letter is a personal invitation, for Troop 215 to join Scouts from all over Gulf Stream Council, to be a part of the 5th Annual POW-MIA-OREE (Prisoner of War, Missing in Action, Outdoor Remembrance Educational Event), at the South Florida National Cemetery.

POW-MIA-OREE is the only event that live reads all the names of all the soldiers interred at the South Florida National Cemetery, after which we also place custom challenge coins on every headstone for the soldiers families (as a keepsake), representing that "No Soldier Should Ever Be Forgotten". All in support of National POW-MIA Remembrance Day.

As your Troop was a part of the inaugural event, I thought it would also like to become a part of the events 5th annual Ceremony at the South Florida National Cemetery.

Please let me know as soon as possible, if your troop will attend, so that I can recognize you in the event notices.

YIS,

Joshua Katz, Eagle Scout
Boy Scouts of America, Troop 13
